

Volkswagen Amarok XL & XXL

Tradesman Pack

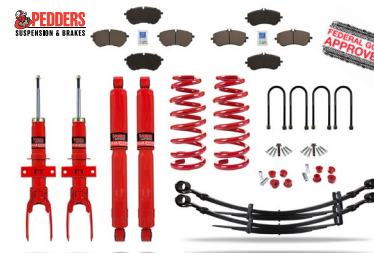

Illustrated: XXL +650mm Tradesman Pack

Enhanced in Australia, Volkswagen Factory Endorsed

- **Engineering endorsed** by Volkswagen Germany.
- **New ESC parameters provided by Volkswagen**, recognising the dynamic changes of these models. This system upgrade manages vehicle Braking, Cornering and Performance both On and Off road. This car is safer because it knows that its longer.
- **Adaptive Manufacturing is a 2nd Stage Manufacture (SSM)**, certified and endorsed, no additional engineering is required.*
- **Amarok XL and XXL models are Red Book Listed**, accountable resale value enhancing your return on investment, Guidelines for Insurance, and are able to be financed as a package, as you would expect from a factory vehicle.
- **5 Year Volkswagen Warranty**

*Applies to new previously unregistered vehicles only

Upgraded Carrier Bar for Fitment of 3.5 Tonne OE Tow Bar

*Tow bar not included
